### Application Instructions

Apply BIO-ROYALE to dry turf. Follow application with irrigation sufficient to move granules into the soil surface. Avoid mowing until sufficient rainfall or irrigation has been applied.

Do not apply near water, storm drains or drainage ditches. Do not apply if heavy rain is expected. Apply this product only to your lawn/garden, and sweep any product that lands on the driveway, sidewalk or street, back onto your lawn/garden.

*In Virginia, this lawn fertilizer, which contains phosphorous, is intended only for nonagricultural use on (i) turf during its first growing season, (ii) turf areas being repaired or renovated, and (iii) turf where a soil test performed within the last 3 years indicates a phosphorous deficiency. This fertilizer is not intended for routine maintenance of turf.*
